**League Mission:** The Mission of the VDBL is to prepare young players for life through the game of basketball.

Organized and run by the *Virginia Basketball Academy* this program is set on VABA's two main goals: **SKILL & CHARACTER DEVELOPMENT**. The VDBL is designed to help young basketball players prepare for life and the relevant possibility of playing high school basketball. As a program of VABA, a recognized 501c3/non-profit organization, the VDBL maintains the same mission and purpose, aiming to serve the extended Charlottesville-Albemarle community by funding scholarships for all interested participants.

**League Structure:** These are not "recreational" basketball leagues; rather, these leagues provide a controlled environment where devoted coaches and student-athletes can sincerely focus on developing their skills, thus striving toward maximizing their potential on and off the court.

There are four divisions within the VDBL-Boys: 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade.

There are two divisions within the VDBL-Girls: 5-6<sup>th</sup> and 7-8<sup>th</sup>.

All teams, comprised of 10 players each (chosen through try-outs OR pre-formed teams), are divided based on the high school the players will eventually be attending. Games and practices take place at the respective high school or middle school. Participating schools include Albemarle HS, Charlottesville HS, CCS, Covenant School, Fluvanna County HS, Louisa County HS, Monticello HS, Nelson County HS, STAB, Tandem, Western Albemarle HS, William Monroe HS and all area private schools.

## VDBL Offerings

- ❖ **Trained Coaches/Coaches Clinics:** All VDBL Head Coaches are trained, through a series of “Coaches’ Clinics,” on a specific basketball curriculum of Coaching Ethics, Defensive & Offensive play. There is no charge to VDBL Coaches for Coaches Clinics.
- ❖ **Team/Player Clinics:** All student-athletes are required to attend ONE “Team/Player Clinic.” Founding Director, Ben D’Alessandro, will be conducting these teaching sessions. This is the first time VDBL Head coaches will get a chance to meet and work with their teams. “Team Clinics” will cover the fundamentals of proper man-to-man defensive play, and the individual and team skills, concepts and schemes of proper offensive play. All clinics are included in the price of the league and are REQUIRED to play.
- ❖ **Mesh Uniforms, Shooting Shirt & T-shirt:** All student-athletes are outfitted in full uniform, including a reversible mesh jersey and shorts, shooting/league shirt in the respective colors of their future high school (student-athletes keep all apparel).
- ❖ **Full-court, Reserved, Gym-space @ HS:** Two (2) FULL-COURT practices (90-minutes) are scheduled for each team to ensure the optimum environment for teaching and learning. Practices take place at the program’s respective high school or middle school (girls) gymnasium. Game locations rotate each week so each team receives, in most cases, two home games during the season.
- ❖ **Certified, High School Officials for Games:** All games are officiated by certified high school officials, usually three-man crews. All VHSL rules are applied and enforced.
- ❖ **Grass-Roots Leadership:** Through the VDBL Committee, representatives from each of the schools participate in offering league policy recommendations. Within each school “Team Pods” made up of Head & Assistant Coaches & Team Managers organize participants’ families in assisting with organizing team details and game day operations.
- ❖ **Skill & Character Development Handouts:** All student-athletes are given handouts throughout the season for on-going skill & character development. Each S-A is held to Academic and Conduct standards. Academic achievement, school and home conduct, and team participation will be reported and assessed weekly by VDBL team coaches and league directors.
