

CANCELLATION/REFUND POLICY

FAQ

What are your cancellation and refund policies?

Deposits (\$100.00) are due a minimum of 21 days prior to the start date of the teaching program and are non-refundable. If you sign up for a program which costs \$100.00 or less (one-day clinic, etc.), this payment will also be non-refundable upon payment. Any cancellation that takes place more than 21 days prior to the event will receive a refund, minus your deposit. No refunds will be given if you cancel within 21 days of the start of your session and no refunds will be given once your session begins. In the event that a camper decides to leave during a program or is dismissed, he will not receive a refund of any kind.

If I have registered online, can I cancel my camp registration and receive a credit online as well?

No. All cancellations must begin with either a direct telephone call or an e-mail (see "CONTACT" page on web-site). You will be personally contacted and a refund mailed (or credited back to your account) provided the above conditions.
